What Was Populated

1. Subscription Plans

-  Basic Plan (\$9,990 CLP/month)
-  Pro Plan (\$19,990 CLP/month)
-  Enterprise Plan (\$49,990 CLP/month)

2. Master Product Catalog

-  500 real Chilean products with:
- Product names in Spanish
- EAN-13 barcodes
- Categories (Alimentos, Bebidas, Limpieza, etc.)
- Brand information
- Suggested prices

3. Businesses (PyMEs)

-  13 realistic Chilean small businesses
-  Distributed across different plan types
-  Complete business information (RUT, address, contact info)

4. Users

-  1 platform administrator
-  71 business users across all businesses
-  Roles: Administrators, Cashiers, Inventory Managers
-  Chilean names and realistic email addresses

5. Inventory

- ✓ 3,300 inventory items distributed across businesses
- ✓ Each business has 50-200 products
- ✓ Realistic pricing with margins (30-60%)
- ✓ Stock levels (5-100 units per product)

6. Subscriptions

- ✓ 39 active subscriptions
- ✓ Historical subscription data (1-6 months)
- ✓ 151 payment records

7. Sales Data

- ✓ 728 historical sales (last 90 days)
- ✓ 2,845 sale line items
- ✓ Realistic payment method distribution
- ✓ Complete sale information (totals, tax, payments)
- ✓ Revenue: \$30.9 million CLP

8. Stock Movements

- ✓ 136 stock adjustments
- ✓ Multiple adjustment types (purchases, losses, corrections, returns)
- ✓ Distributed across last 90 days

Testing the Data

Recommended Test Scenarios

1. Login as Platform Admin

- Email: admin@crtlpyme.com
- Password: Admin2025!
- Verify access to all platform features

2. Login as Business Owner

- Example: admin@minimarketdonluis.cl
- Password: Demo2025!
- Verify business dashboard, sales, inventory

3. Login as Cashier

- Example: carmen1@minimarketdonluis.cl
- Password: Demo2025!
- Verify POS access, sales creation

4. Login as Inventory Manager

- Example: jorge1@minimarketdonluis.cl
 - Password: Demo2025!
 - Verify inventory management features
-

Notes

- All dates are realistic and distributed over the last 3 months
 - Sales numbers follow realistic patterns (more cash, less transfers)
 - Stock adjustments include various types (purchases, losses, corrections)
 - Product categories are representative of Chilean small business inventory
 - All RUT numbers follow Chilean format (XX.XXX.XXX-X)
 - Prices are in Chilean Pesos (CLP)
-

Next Steps

1. Start the application:

```
bash
cd /home/ubuntu/github_repos/CRTLPyME
npm run dev
```

2. Access the application:

- Open browser to <http://localhost:3000>
- Login with any of the provided credentials

3. Test key features:

- Dashboard and reports
 - POS system
 - Inventory management
 - User management
 - Subscription management
